INTRODUCING A VENDING MACHINE THAT REQUIRES **NO** INVENTORY

The **AQUA SKILL**[™] Game Canister...

Check out these great benefits!

- A simple concept with little maintenance
- Installs in minutes at any location
- Patented, so its unique design can't be duplicated
- Interactive, so it entices customers to play
- A proven market leader—over 50 million have played Aqua Skill[™]
- Doesn't interrupt foot traffic
- 90-day manufacturer's warranty
- Heavy-duty design and construction
- U.L. approved
- Registered throughout the country and legal in every state
- The illuminated design, bright colors and swirling bubbles attract customers
- Best of all—NO inventory, just income!

We will custom design signage to your specifications.

These are examples of signs currently in use.
